Village Glen Homeowner's Association (HOA)

823 Provincial Dr.

Chelsea, MI 48118

Dear Ms. Parkinson,

Thanks for your inquiry regarding the Village Glen Detention basin. The City of Chelsea is unable to assume the maintenance responsibilities, insurance, liability etc. The basin is on private property and there would have to be a public purpose for the City to assume these responsibilities. Additional questions of the basin and/or drainage concerns could be addressed by the Washtenaw County Water Resources Commissioner.

Please don't hesitate to contact me with any additional questions or concerns you may have.
